Abstract   Paper format for DEIM Forum 2019 Proceedings.

Key words   pLaTeX 2_ε class file, typesetting

1. Top page format

In the first page, a title, an author list, an authors' affiliation and address list, e-mail address list, abstract (about 100 words) and keywords must be included. The following command must be included to insert paper ID.

`\papernumber{DEIM Forum 2019 XX-Y}`

where XX is a session ID (e.g., 1A, 3B), Y is a presentation order (e.g., 1, 2) in the session. Authors should refer these numbers on the program. Note that, for the initial submission which date is before becoming the program online, these numbers are kept XX-Y or blank.

2. The number of pages

All submissions are limited to 4 pages to 8 pages. For whom presenting in PhD presentation, submissions are recommended to be 8 pages.

3. Paper style

Paper must be styled as A4, 9 point font, double-columned, and single spacing.
